3. Public Testimony: Ron Wollin- Expressed ditching concern by the Catholic Church. With no ditching on Harding St. his yard is still going to have water problems. He also asked what good 1 ½ inch pavement overlay is going to do on already bad roads.

Troy Peterson- Asked for the drainage cost alone, Dustin confirmed it is estimated at \$81,000 for the ditching alone. Troy also asked about the culvert heights and concerns with repairing existing culverts. Dustin said driveways will be raised to the necessary height to fix culverts.

Neil Moss- He expressed that he also will still have water issues on his property with no ditching along Harding St.

Sander Dagen- He expressed that the cost concerns from last year's estimates still exist however, he agrees that this plan is much better than last year's. The drainage and ditching is a much better idea and will help.

4. Adjournment at 6PM.
