5. **Hydrants:** Mayor Nelson mentioned the use of city hydrants for water filling. Adam Hanson wasn't able to attend the meeting but did address the topic earlier in the day that it wasn't a problem over the winter. Everyone is under the same understanding that using city hydrants to fill trucks is not acceptable and will be readdressed this spring/summer if it becomes a problem. Water filling needs to be done via the water salesman at the tower.

There being no further business, the meeting was adjourned at 6:19pm.

The next council meeting will be April 6, 2026 with the Board of Appeals Hearing at 5:30pm, regular meeting to follow at 6:00pm.
